

Welcome

Welcome to www.sarecycling.com. This site (the “Site”) is owned by SA Recycling, LLC. This Privacy Policy is designed to tell you about our practices regarding collection, use, and disclosure of information that you may provide via this Site. Please be sure to read this entire Privacy Policy before using, or submitting information to, this Site. This Site is governed solely by applicable Federal and State laws and governmental regulations in the United States. Use of this Site constitutes your consent to application of such laws and regulations and to our Privacy Policy.

Your Consent

By using this Site, you agree with the terms of this Privacy Policy. Whenever you submit information via this Site, you consent to the collection, use, and disclosure of that information in accordance with this Privacy Policy.

Active Information Collection

Like many Web sites, this Site actively collects information from its visitors both by asking you specific questions and by permitting you to communicate directly with us via e-mail and feedback forms. Some of the information that you submit may be personally identifiable information (that is, information that can be uniquely identified with you, such as your full name, address, e-mail address, phone number, and so on).

Passive Information Collection

As you navigate through a Web site, certain information can be passively collected (that is,

gathered without your actively providing the information) using various technologies and means, such as navigational data collection.

This Site may use Internet Protocol (IP) addresses. An IP Address is a number assigned to your computer by your Internet service provider so you can access the Internet and is generally considered to be non-personally identifiable information, because in most cases an IP address is dynamic (changing each time you connect to the Internet), rather than static (unique to a particular user's computer). We use your IP address to diagnose problems with our server, report aggregate information, determine the fastest route for your computer to use in connecting to our Site, and administer and improve the Site.

A "cookie" is a bit of information that a Web site sends to your Web browser that helps the Site remember information about you and your preferences.

"Session" cookies are temporary bits of information that are erased once you exit your Web browser window or otherwise turn your computer off. Session cookies are used to improve navigation on Web sites and to collect aggregate statistical information. This Site uses session cookies. "Persistent" cookies are more permanent bits of information that are placed on the hard drive of your computer and stay there unless you delete the cookie. Persistent cookies store information on your computer for a number of purposes, such as retrieving certain information you have previously provided (e.g., passwords), helping to determine what areas of the Web site visitors find most valuable, and customizing the Web site based on your preferences. This Site uses persistent cookies.

"Internet tags" (also known as single-pixel GIFs, clear GIFs, invisible GIFs, and 1-by-1 GIFs) are smaller than cookies and tell the Web site server information such as the IP address and browser type related to the visitor's computer. We do not use Internet tags at this Site.

“Navigational data” (“log files,” “server logs,” and “click stream” data) are used for system management, to improve the content of the Site, market research purposes, and to communicate information to visitors. This Site uses navigational data.

Use and Disclosure of Information

Except as otherwise stated, we may use your information to improve the content of our Site, to customize the Site to your preferences, to communicate information to you (if you have requested it), for our marketing and research purposes, and for the purposes specified in this Privacy Policy. If you provide personally identifiable information to this Site, we may combine such information with other actively collected information unless we specify otherwise at the point of collection. We will take reasonable measures to prevent personally identifiable information from being combined with passively collected information, unless you consent otherwise.

We may disclose your personally identifiable information to other SA Recycling, LLC, affiliates that agree to treat it in accordance with this Privacy Policy. In addition, we may disclose your personally identifiable information to third parties, located in the United States and/or any other country, but only in accordance with applicable law and (i) to contractors we use to support our business (e.g., fulfillment services, technical support, delivery services, and financial institutions), in which case we will require such third parties to agree to treat it in accordance with this Privacy Policy; (ii) in connection with the sale, assignment, or other transfer of the business of this Site to which the information relates, in which case we will require any such buyer to agree to treat it in accordance with this Privacy Policy; or (iii) where required by applicable laws, court orders, or government regulations.

In addition, we will make full use of all information acquired through this Site that is not in personally identifiable form.

Access and Correction

To keep your personally identifiable information accurate, current, and complete, please contact us as specified below. We will take reasonable steps to update or correct personally identifiable information in our possession that you have previously submitted via this Site.

If you are a California resident and would like to make such a request, please submit your request in writing to the address shown below.

Security

We take reasonable steps to protect your personally identifiable information as you transmit your information from your computer to our Site and to protect such information from loss, misuse, and unauthorized access, disclosure, alteration, or destruction. You should keep in mind that no Internet transmission is ever 100% secure or error-free. In particular, e-mail sent to or from this

Site may not be secure, and you should therefore take special care in deciding what information you send to us via e-mail. Moreover, where you use passwords, ID numbers, or other special access features on this Site, it is your responsibility to safeguard them.
